Notice on Information Disclosure

We have disclosed various pieces of information through our home page since April 2003 as one sphere of service so that all customers may make good use of our HITACHI surface mount system more safely and proficiently.

Please understand the intent and purpose of the Information Disclosure and make full use of this service.

The information will be released only to the enrolled customers. If you agree to this intent and would like to sign on, please fill in the accompanying "Confidentiality Agreement Form" and "User Enrollment Request Form for Information Disclosure" and mail us. Upon receipt of them, the User ID and Password will be sent via e-mail.

For information, two person-a-company can be enrolled.

Soon-to-be-released Information

- (1) CS News
- (2) Instruction Manual
- (3) The Jig Catalogue/ The Nozzle Catalogue
- (4) The Component Library Data
- (5) Software Download
