

# Time to Replace Your Hitachi HPLC?

Trade in your 7000 series HPLC system for a special discount on a NEW LaChrom Elite HPLC or LaChromUltra U-HPLC system.

## Hitachi's HPLC Hardware Solutions

# Up to \$10,000 Trade-In Discount!\*

\*Final discount based on the new system configuration and the condition of the trade-in system

Hitachi's New Fast LC System—U-HPLC and conventional HPLC in a single system

A proven and reliable conventional HPLC system—and a drop-in replacement for the Agilent 1100/1200

## Hitachi's HPLC Software Solutions

Now through a collaboration between Waters Corporation and Hitachi High Technologies you can enjoy both the powerful software capabilities of Empower™ 2 and the performance and value of Hitachi's LaChromUltra and LaChrom Elite liquid chromatography systems. The usability, versatility and scalability of Empower 2 together with Hitachi's high-value LC systems provide your laboratory a complete, fully integrated liquid chromatography package.

## Hitachi's Complete Care Packages

Hitachi now offers a Complete Care program that covers all parts, labor and service-related consumable items including, but not limited to, lamps, pump seals, check valves, autosampler syringes and autosampler seals—all for about the cost of a standard service contract. Let Hitachi be completely responsible for the care and maintenance of your instrumentation providing you the peace of mind to focus on your results.

# Hitachi—The Value Leader in Liquid Chromatography

\*Prices are in USD. Offer valid in US and Canada only. Discount offered on hardware and software only and excludes installation, training, and service contracts. Installation, training, and software may be required. Final price varies depending on trade-in discount (determined by the condition of the trade-in system) and new system configuration. Hitachi High Technologies America, Inc. reserves the right to terminate or modify the conditions of the offer at any time. Contact Hitachi for further details. Hitachi is a trademark of Hitachi, Ltd. LaChromUltra, and LaChrom Elite are the trademarks of Hitachi High Technologies America, Inc. Waters and Empower are the trademarks of Waters Corporation.
